Friday, 15 December 2006

The time is almost upon us. In Azeroth and beyond, the powers that be are preparing for the coming of a new age of chaos, a catastrophe many foresaw but few believed in. New alliances are forged while old hatreds continue to persist. And beyond the Dark Portal, an ancient enemy is awaiting the final showdown, the battle that will change the face of the world... forever.

Check out the introduction cinematic for World of Warcraft: The Burning Crusade.
